PENALTY MATRIX FOR LATE CANDIDATE REPORT FILINGS

BASIS FOR PENALTIES 21-A M.R.S.A. Section 1020-A(4)

The penalty for late filing of a required report is a percentage of the total contributions or expenditures for the filing period, whichever is greater, multiplied by the number of calendar days the report is filed late, as follows:

For the first violation, 1%

For the second violation, 3%

For the third and each subsequent violation, 5%

A penalty begins to accrue at 5:00 p.m. on the day the report is due.

Example: The treasurer files the candidate's report two (2) days late. The candidate has not had any previous late violations this biennium. The candidate reports a total of \$2,500 in contributions and \$1,500 in expenditures for the filing period. The penalty is calculated as follows:

\$2,500	Greater amount of the total contributions received or expenditures made during the filing period
<u>X .01</u>	Percent prescribed for first violation
\$25.00	One percent of total contributions
<u>X 2</u>	Number of calendar days late
\$50.00	Total penalty

Your penalty is calculated as follows:

Contributions/Expenditures: \$	_____
Percent prescribed:	<u>X</u> \$ _____
Number of days late:	<u>X</u> _____
Total penalty accrued:	\$ _____

Any penalty of less than \$5 is waived.

Violations accumulate on reports with filing deadlines in a 2-year period that begins on January 1st of each even-numbered year. Waiver of a penalty does not nullify the finding of a violation.

A required report that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.
